

MailCleaner GUI

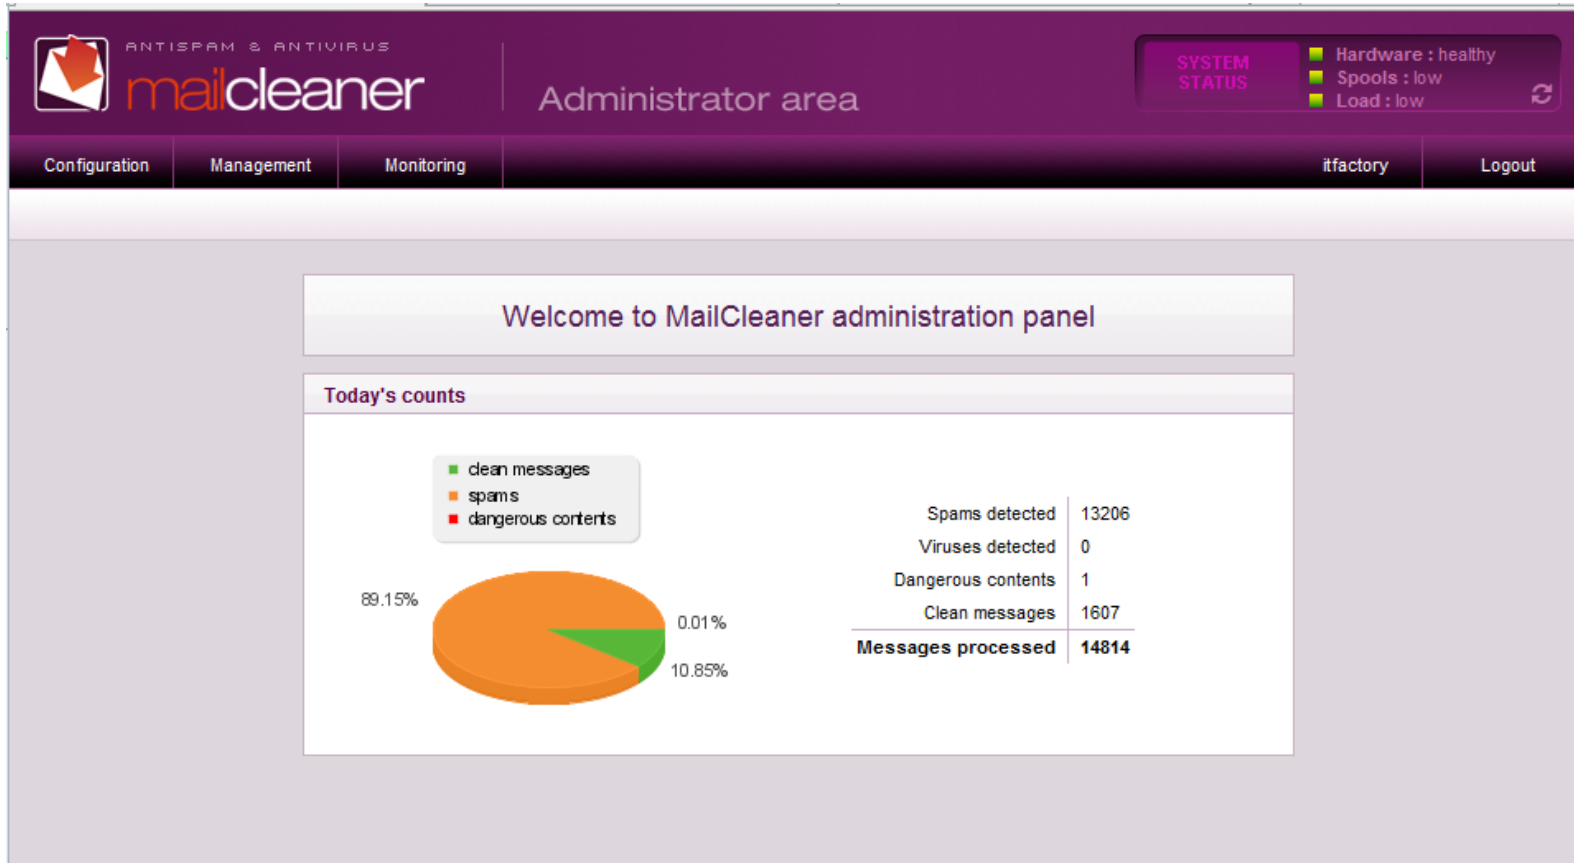

The image features a purple background with a white grid overlay. On the left, the MailCleaner logo consists of a white envelope icon with a red arrow pointing into it. Below the icon, the text "mailcleaner" is written in a lowercase, sans-serif font, with "mail" in orange and "cleaner" in white. Underneath, the words "antispam & antivirus" and "corporate solution" are written in a smaller, white, lowercase font. On the right side, there is a stack of several white envelopes, some with red postage stamps, fanned out to show depth. At the bottom, a black horizontal bar contains the text "You've got mail. ~~Spam.~~ Virus." in a white, sans-serif font. The word "Spam." is crossed out with a thick orange line.

mailcleaner
antispam & antivirus
corporate solution

You've got mail. ~~Spam.~~ Virus.

MailCleaner Status

Konfiguration

The screenshot displays the 'Configuration' section of the it:factory web interface. The top navigation bar includes 'Configuration', 'Management', 'Monitoring', 'itfactory', and 'Logout'. The main content area is titled 'Domains : Domains' and shows the configuration for the domain 'itfactory.ag'. A 'Remove from MailCleaner' button is visible. The configuration is organized into a sidebar with 'Domain specific settings' and a search box, and a main settings area. The sidebar shows 'Results: 1' and 'itfactory.ag' selected. The main settings area includes a dropdown menu for 'preferences' (with options: general, delivery, addressverification, preferences, authentication, filtering, templates), a 'Language' dropdown set to 'German', and a '<< Previous step | Next step >>' link. Below these are fields for 'Summary frequency' (daily), 'Summary type' (html), 'Action on spams' (quarantine), and several subject tags: 'Subject spam tag' ({Spam?}), 'Subject dangerous content tag' ({Content?}), 'Subject dangerous file tag' ({Virus?}), and 'Subject virus tag' ({Virus?}). A 'Submit' button is at the bottom.
